

A close-up, artistic photograph of a glass filled with a golden-brown liquid, likely whiskey, with a blurred background. The glass is tilted, and the liquid is captured in a way that creates a sense of movement and depth. The lighting is soft and warm, highlighting the texture of the glass and the color of the liquid.

GOD'S GRACE

What Grace is...

- God's unmerited or unearned favor.
- God's willing and free bestowal of His goodness and favor upon the unjust and undeserving.
- God giving us what we don't deserve.
- God's divine empowerment.

What Grace isn't...

- The permission to sin or to live anyway we want.
