

Hearing from Heaven

Knowing the Voice of God

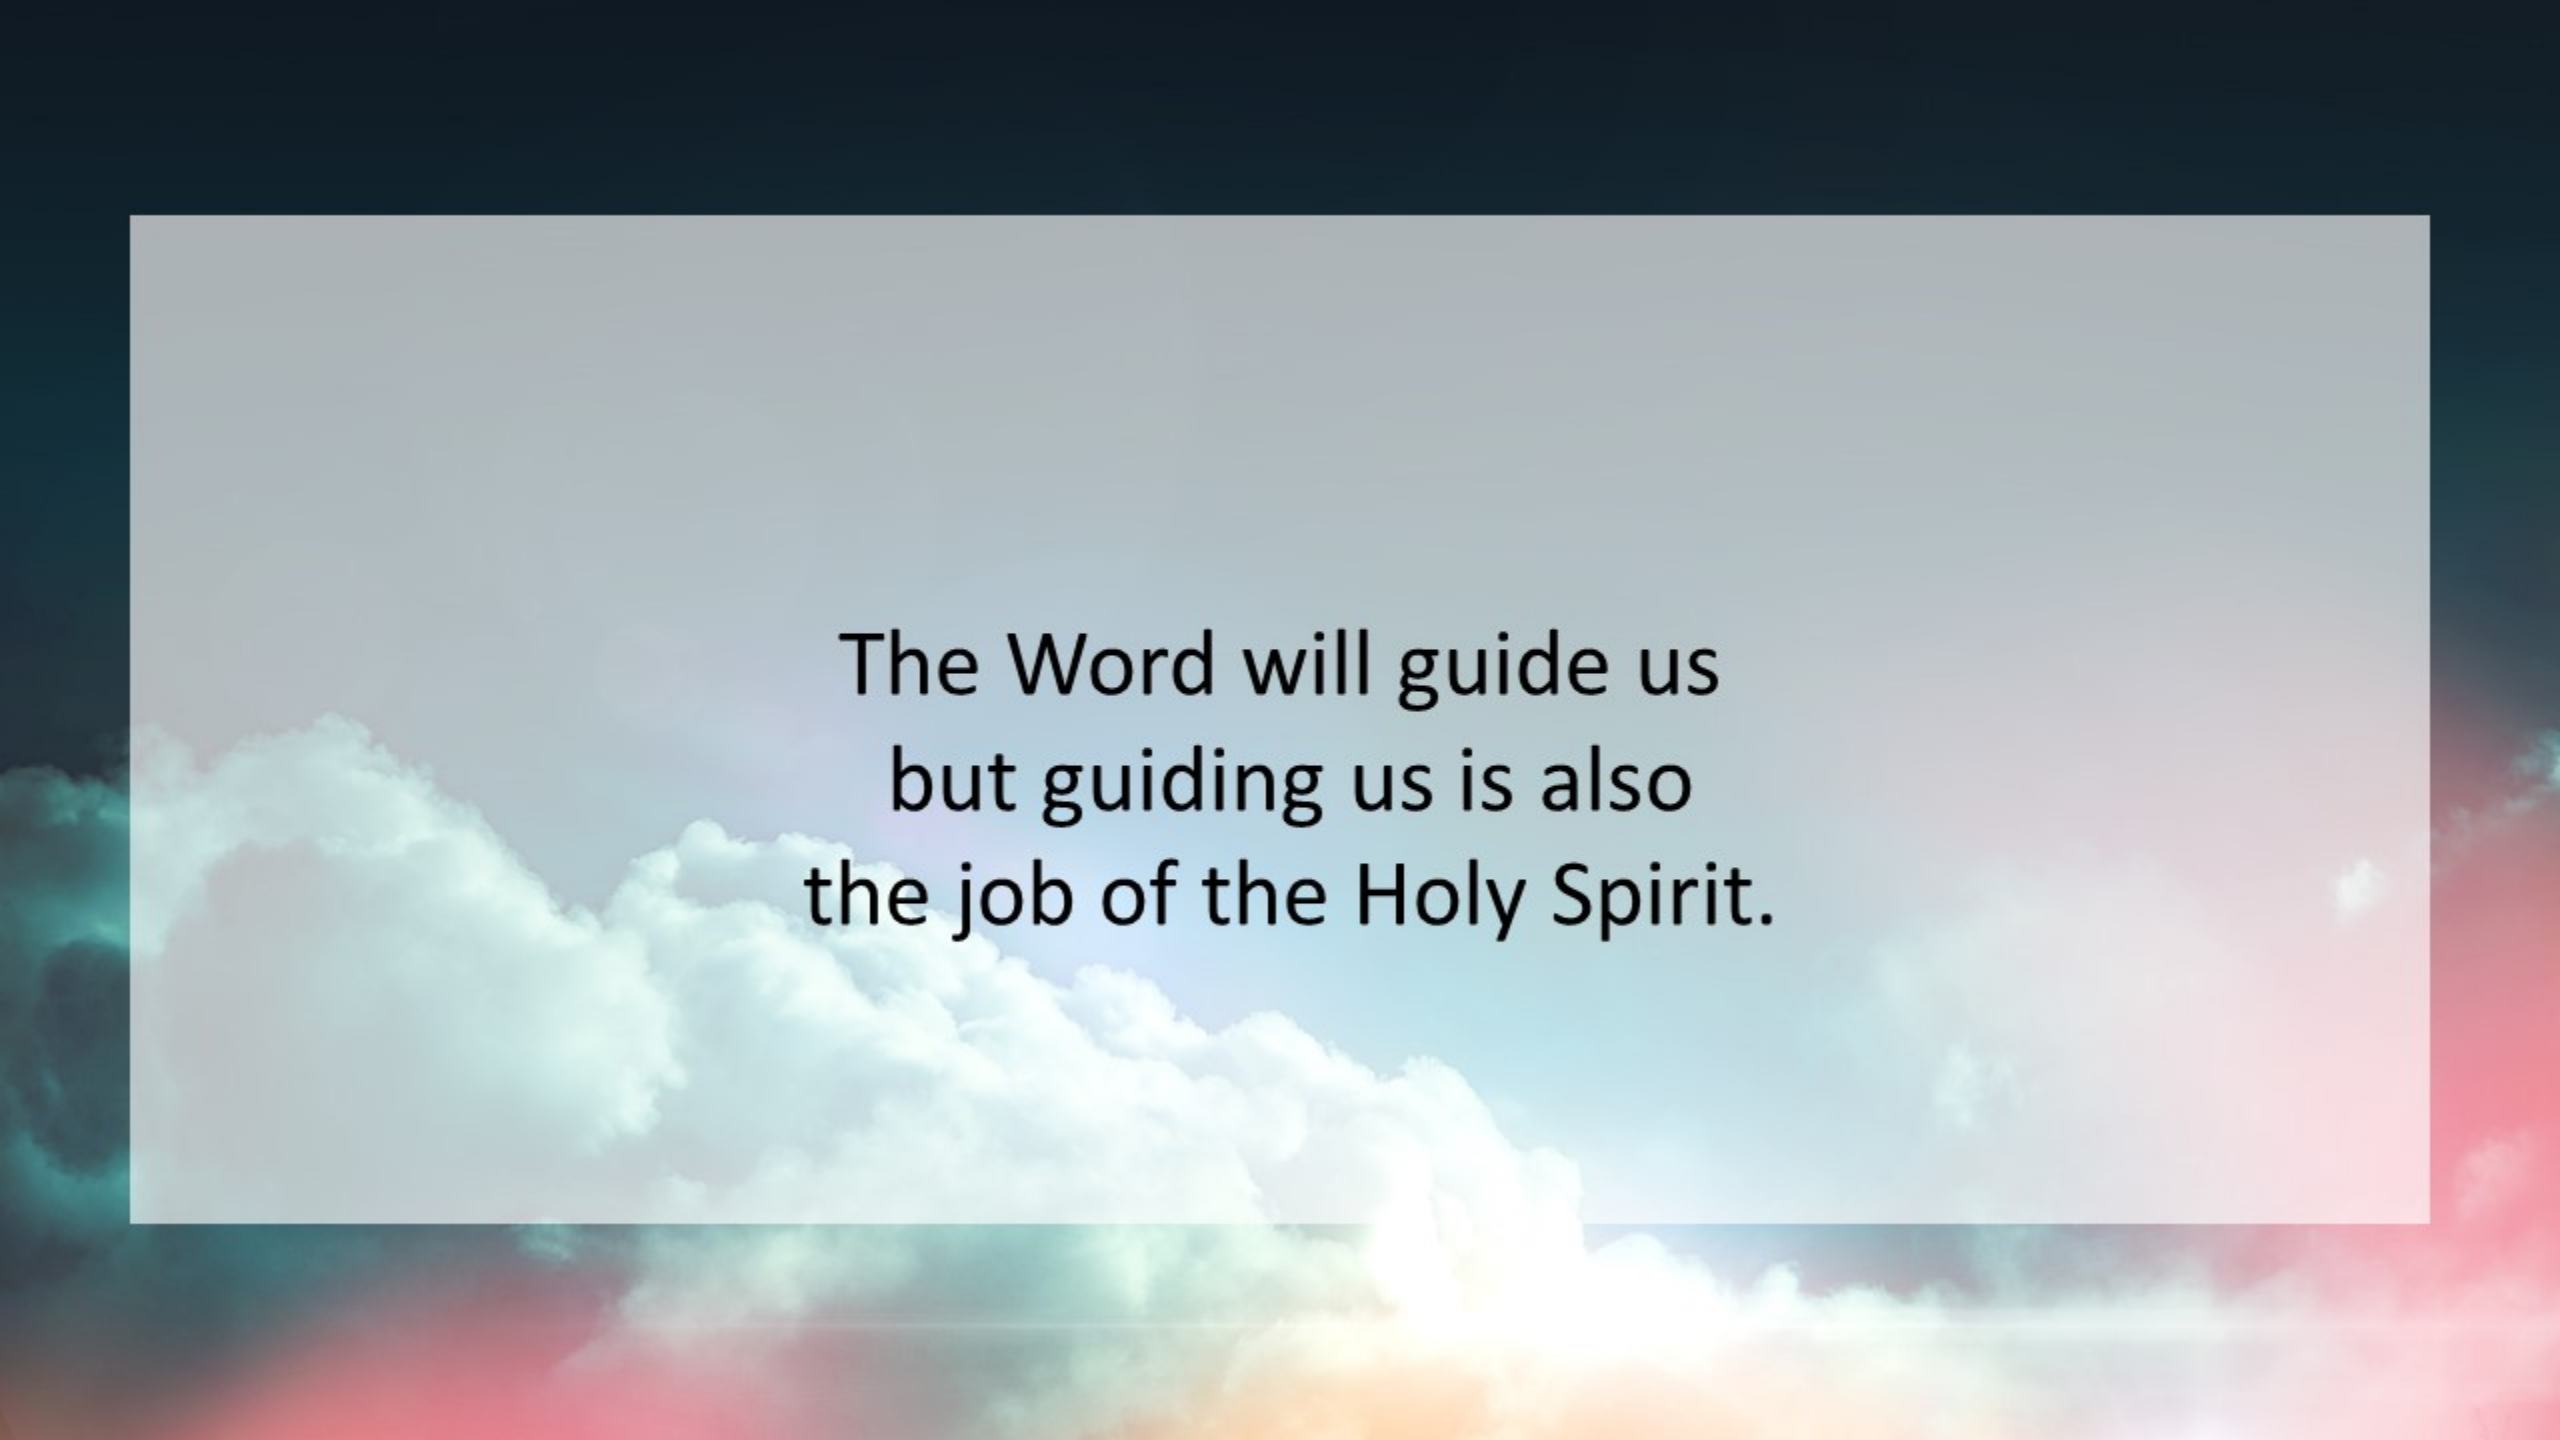

We've learned...

Where God speaks or leads us – our spirits.

How God speaks or leads us – His Word and Holy Spirit.

The Word of God should be God's voice to us.

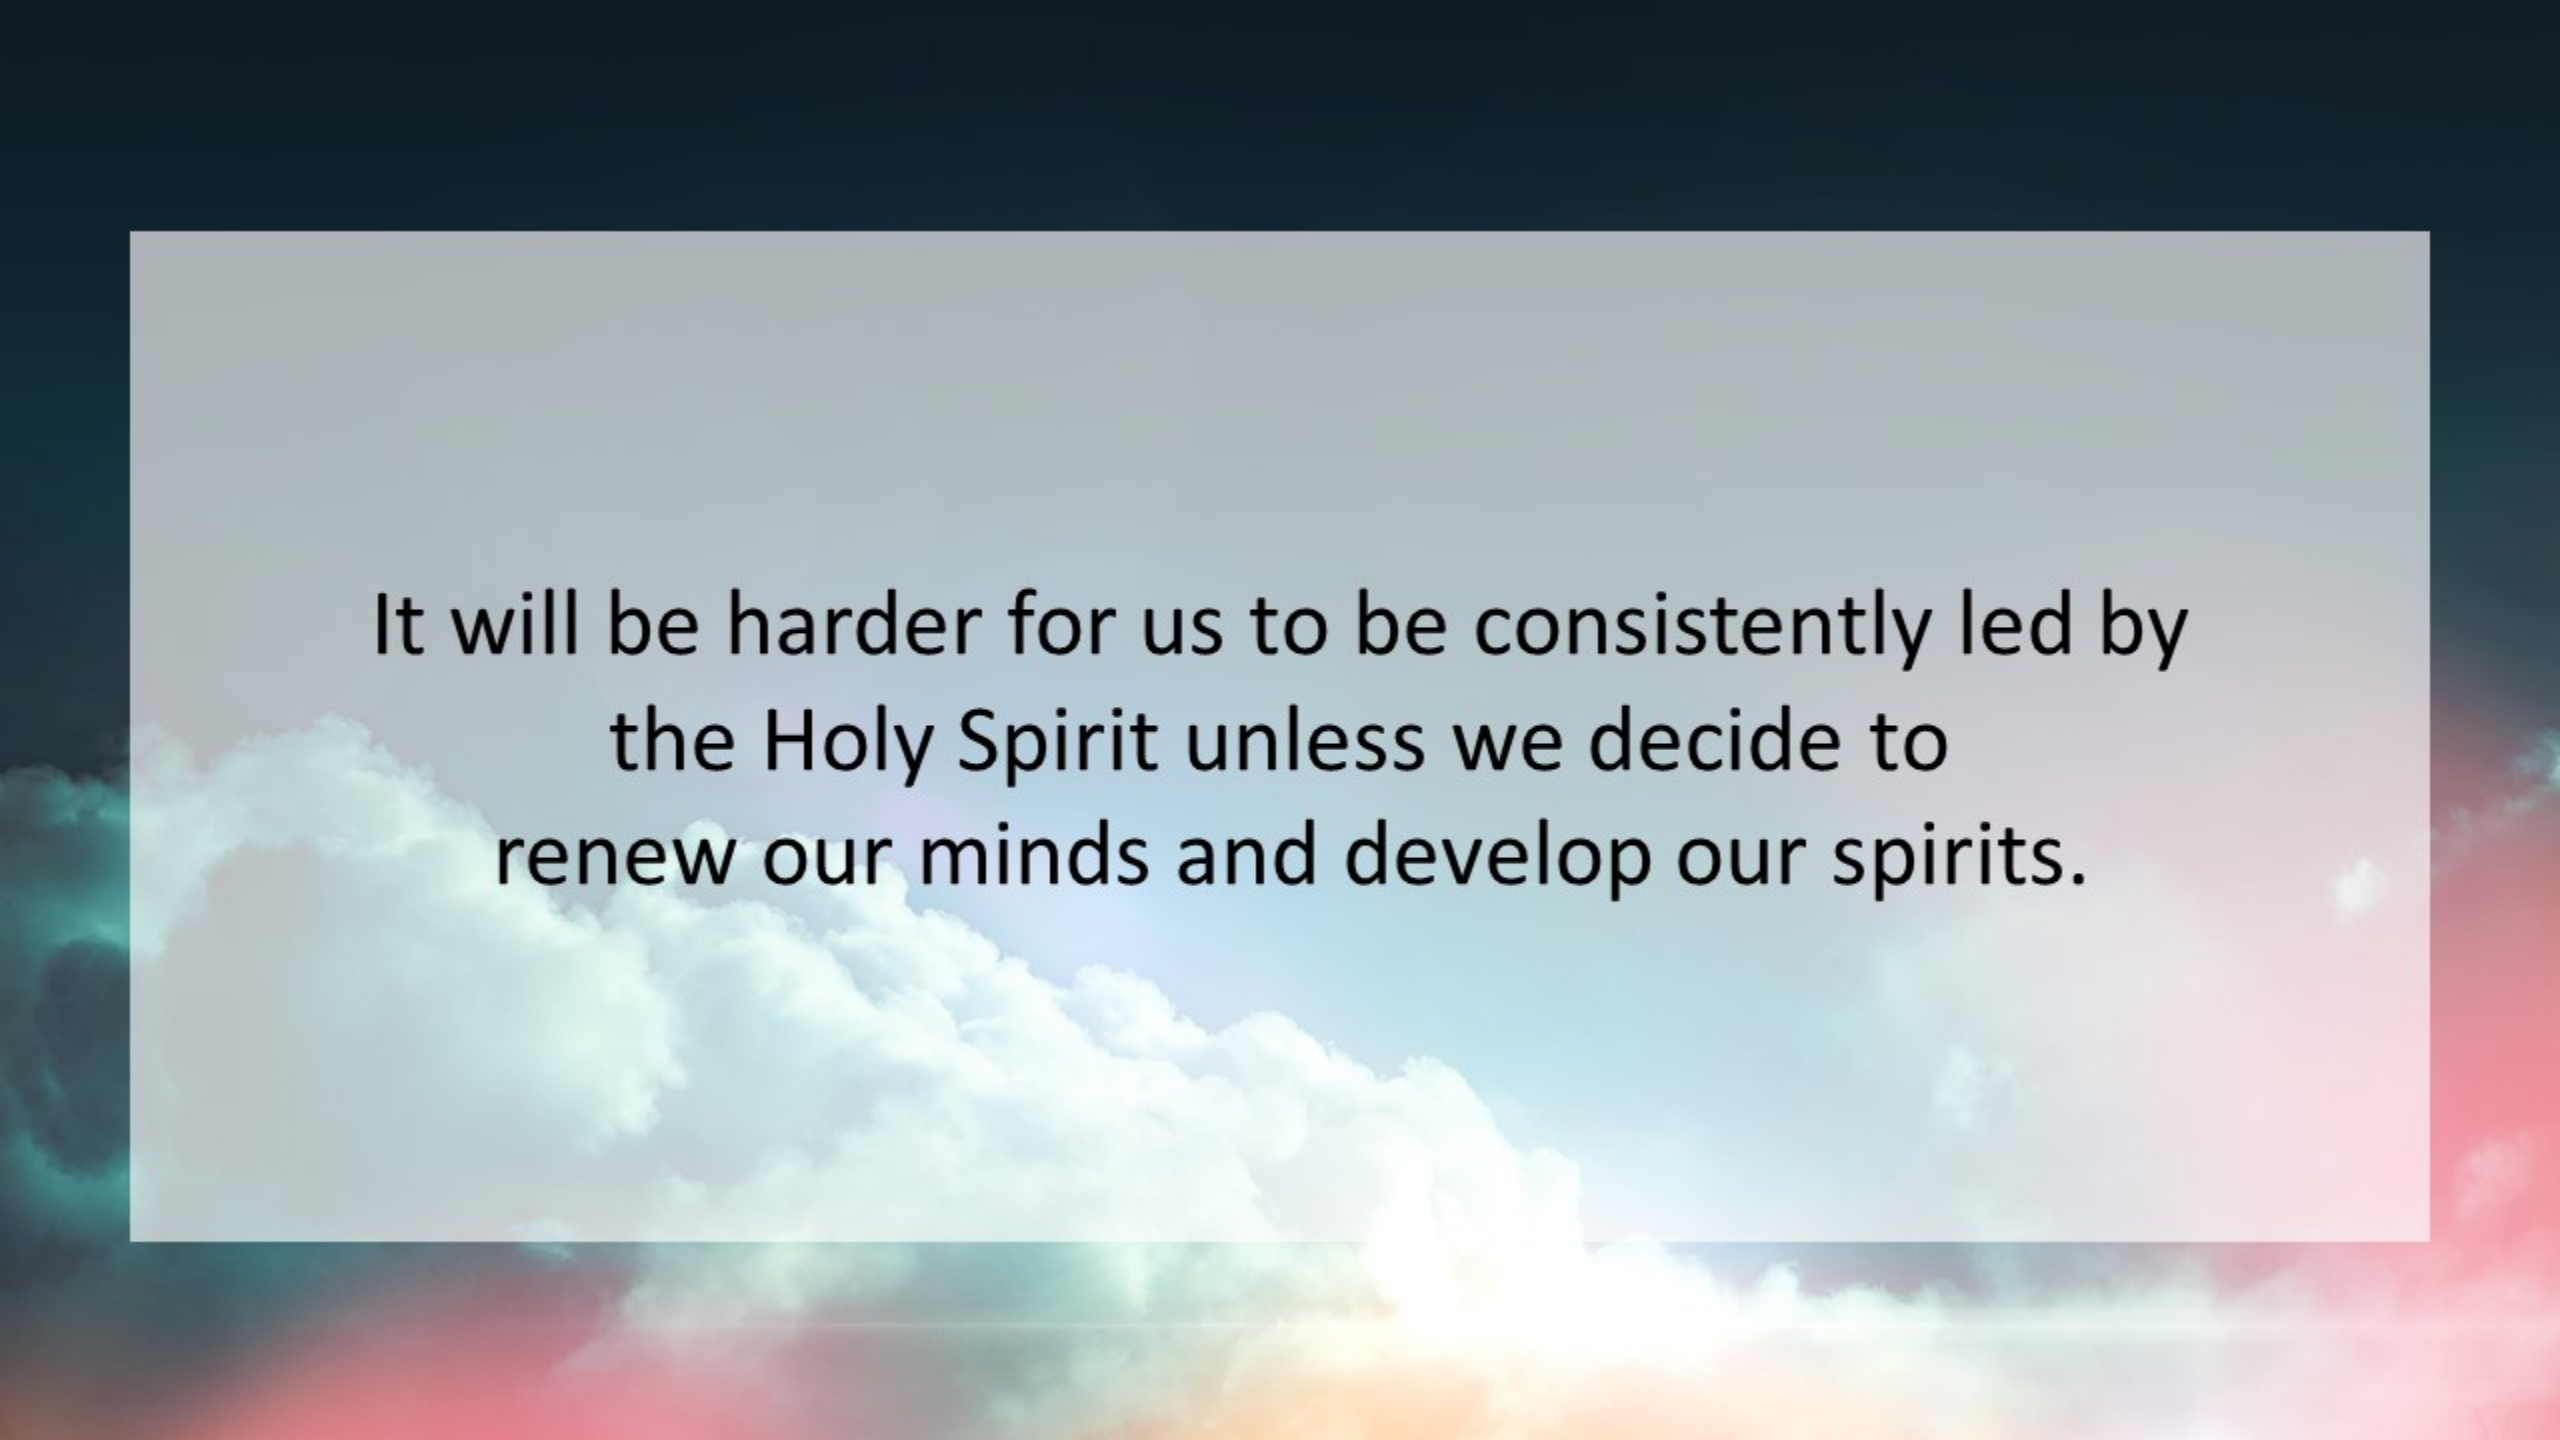

The Word will guide us
but guiding us is also
the job of the Holy Spirit.

When it comes to God's Word and His Spirit and being led, its not one or the other, **its both.**

It's our job to learn God's Word and learn the way of the Holy Spirit, for both are God's voice to our lives.

The background of the slide is a vibrant, multi-colored sky. The colors transition from a deep blue on the left, through green and yellow, to a bright orange and red on the right. A large, fluffy white cloud formation is prominent in the lower half of the image, partially obscured by a semi-transparent white rectangular overlay. The text "Getting Into Position" is centered within this overlay in a bold, black, sans-serif font.

Getting Into Position

It will be harder for us to be consistently led by the Holy Spirit unless we decide to renew our minds and develop our spirits.

God's Word shows us three primary ways to develop our spirits.

- Feed on God's Word
- Pray in other tongues
- Meditate God's Word
