

Hearing from Heaven

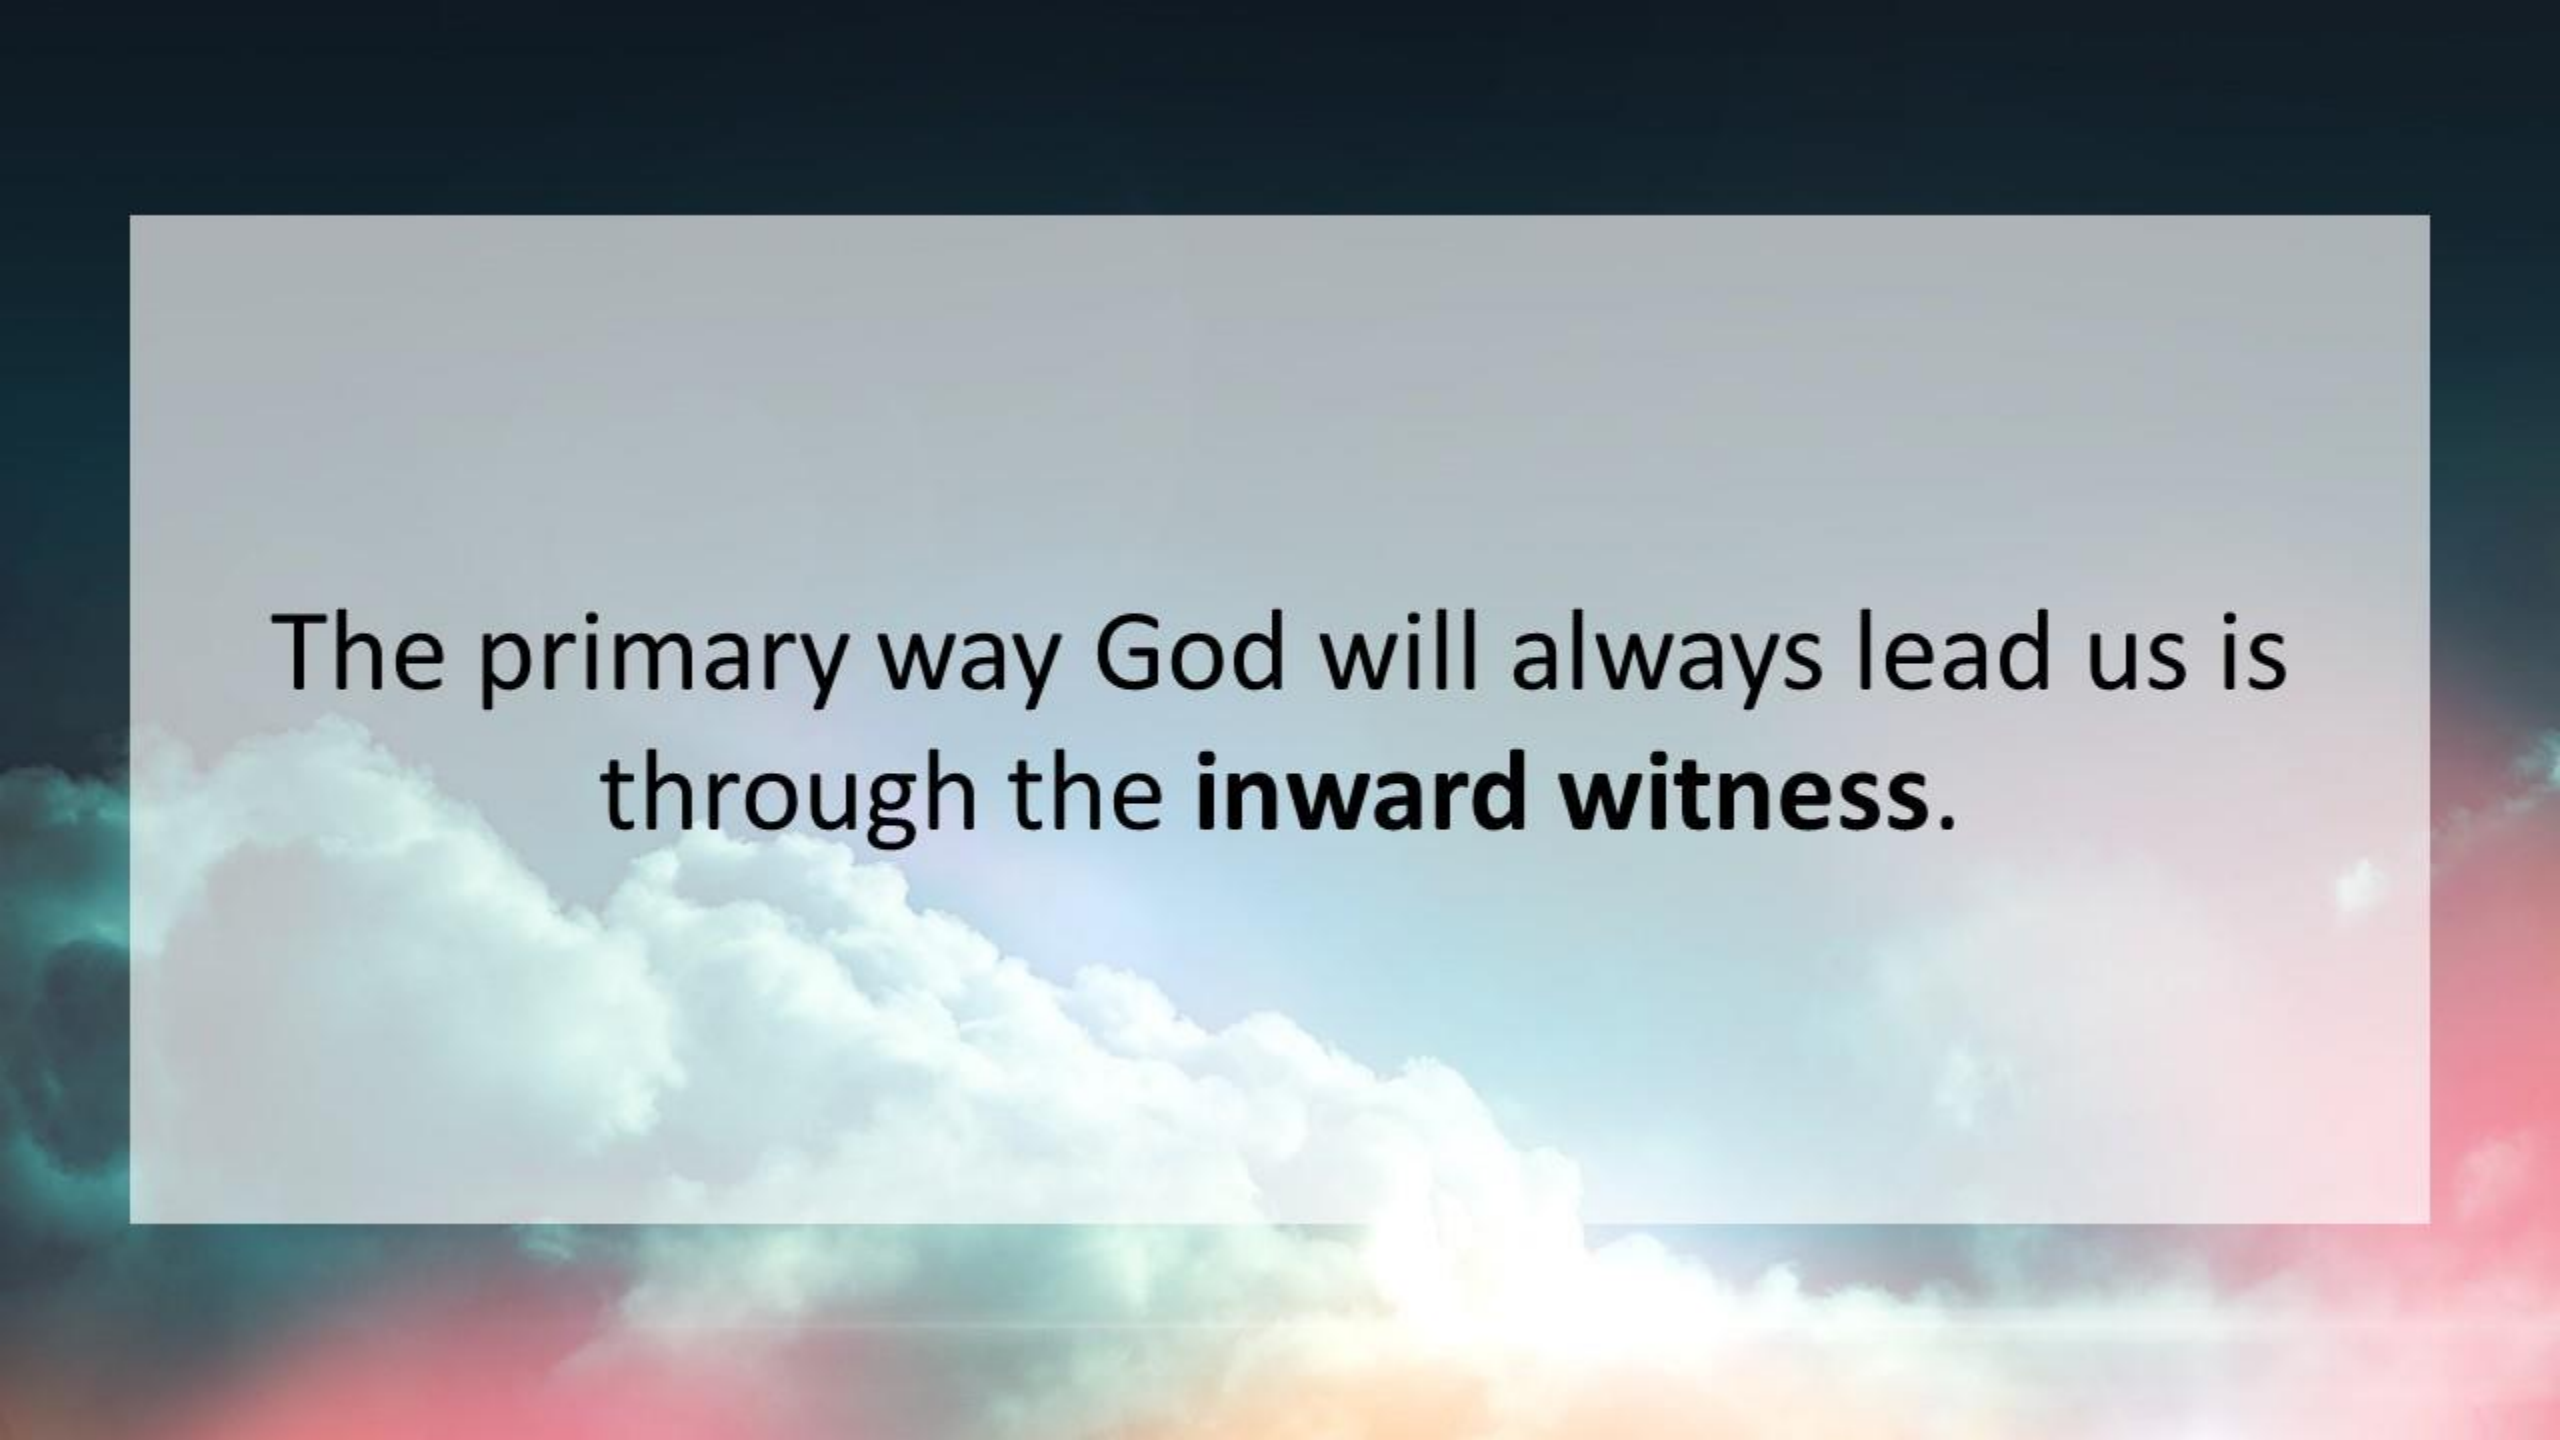

Knowing the Voice of God

How The Holy Spirit Leads

The primary way God will always lead us is through the **inward witness**.

Understanding the Inward Witness

The inward witness can be described as an...

Inward knowing

Intuition

Prompting

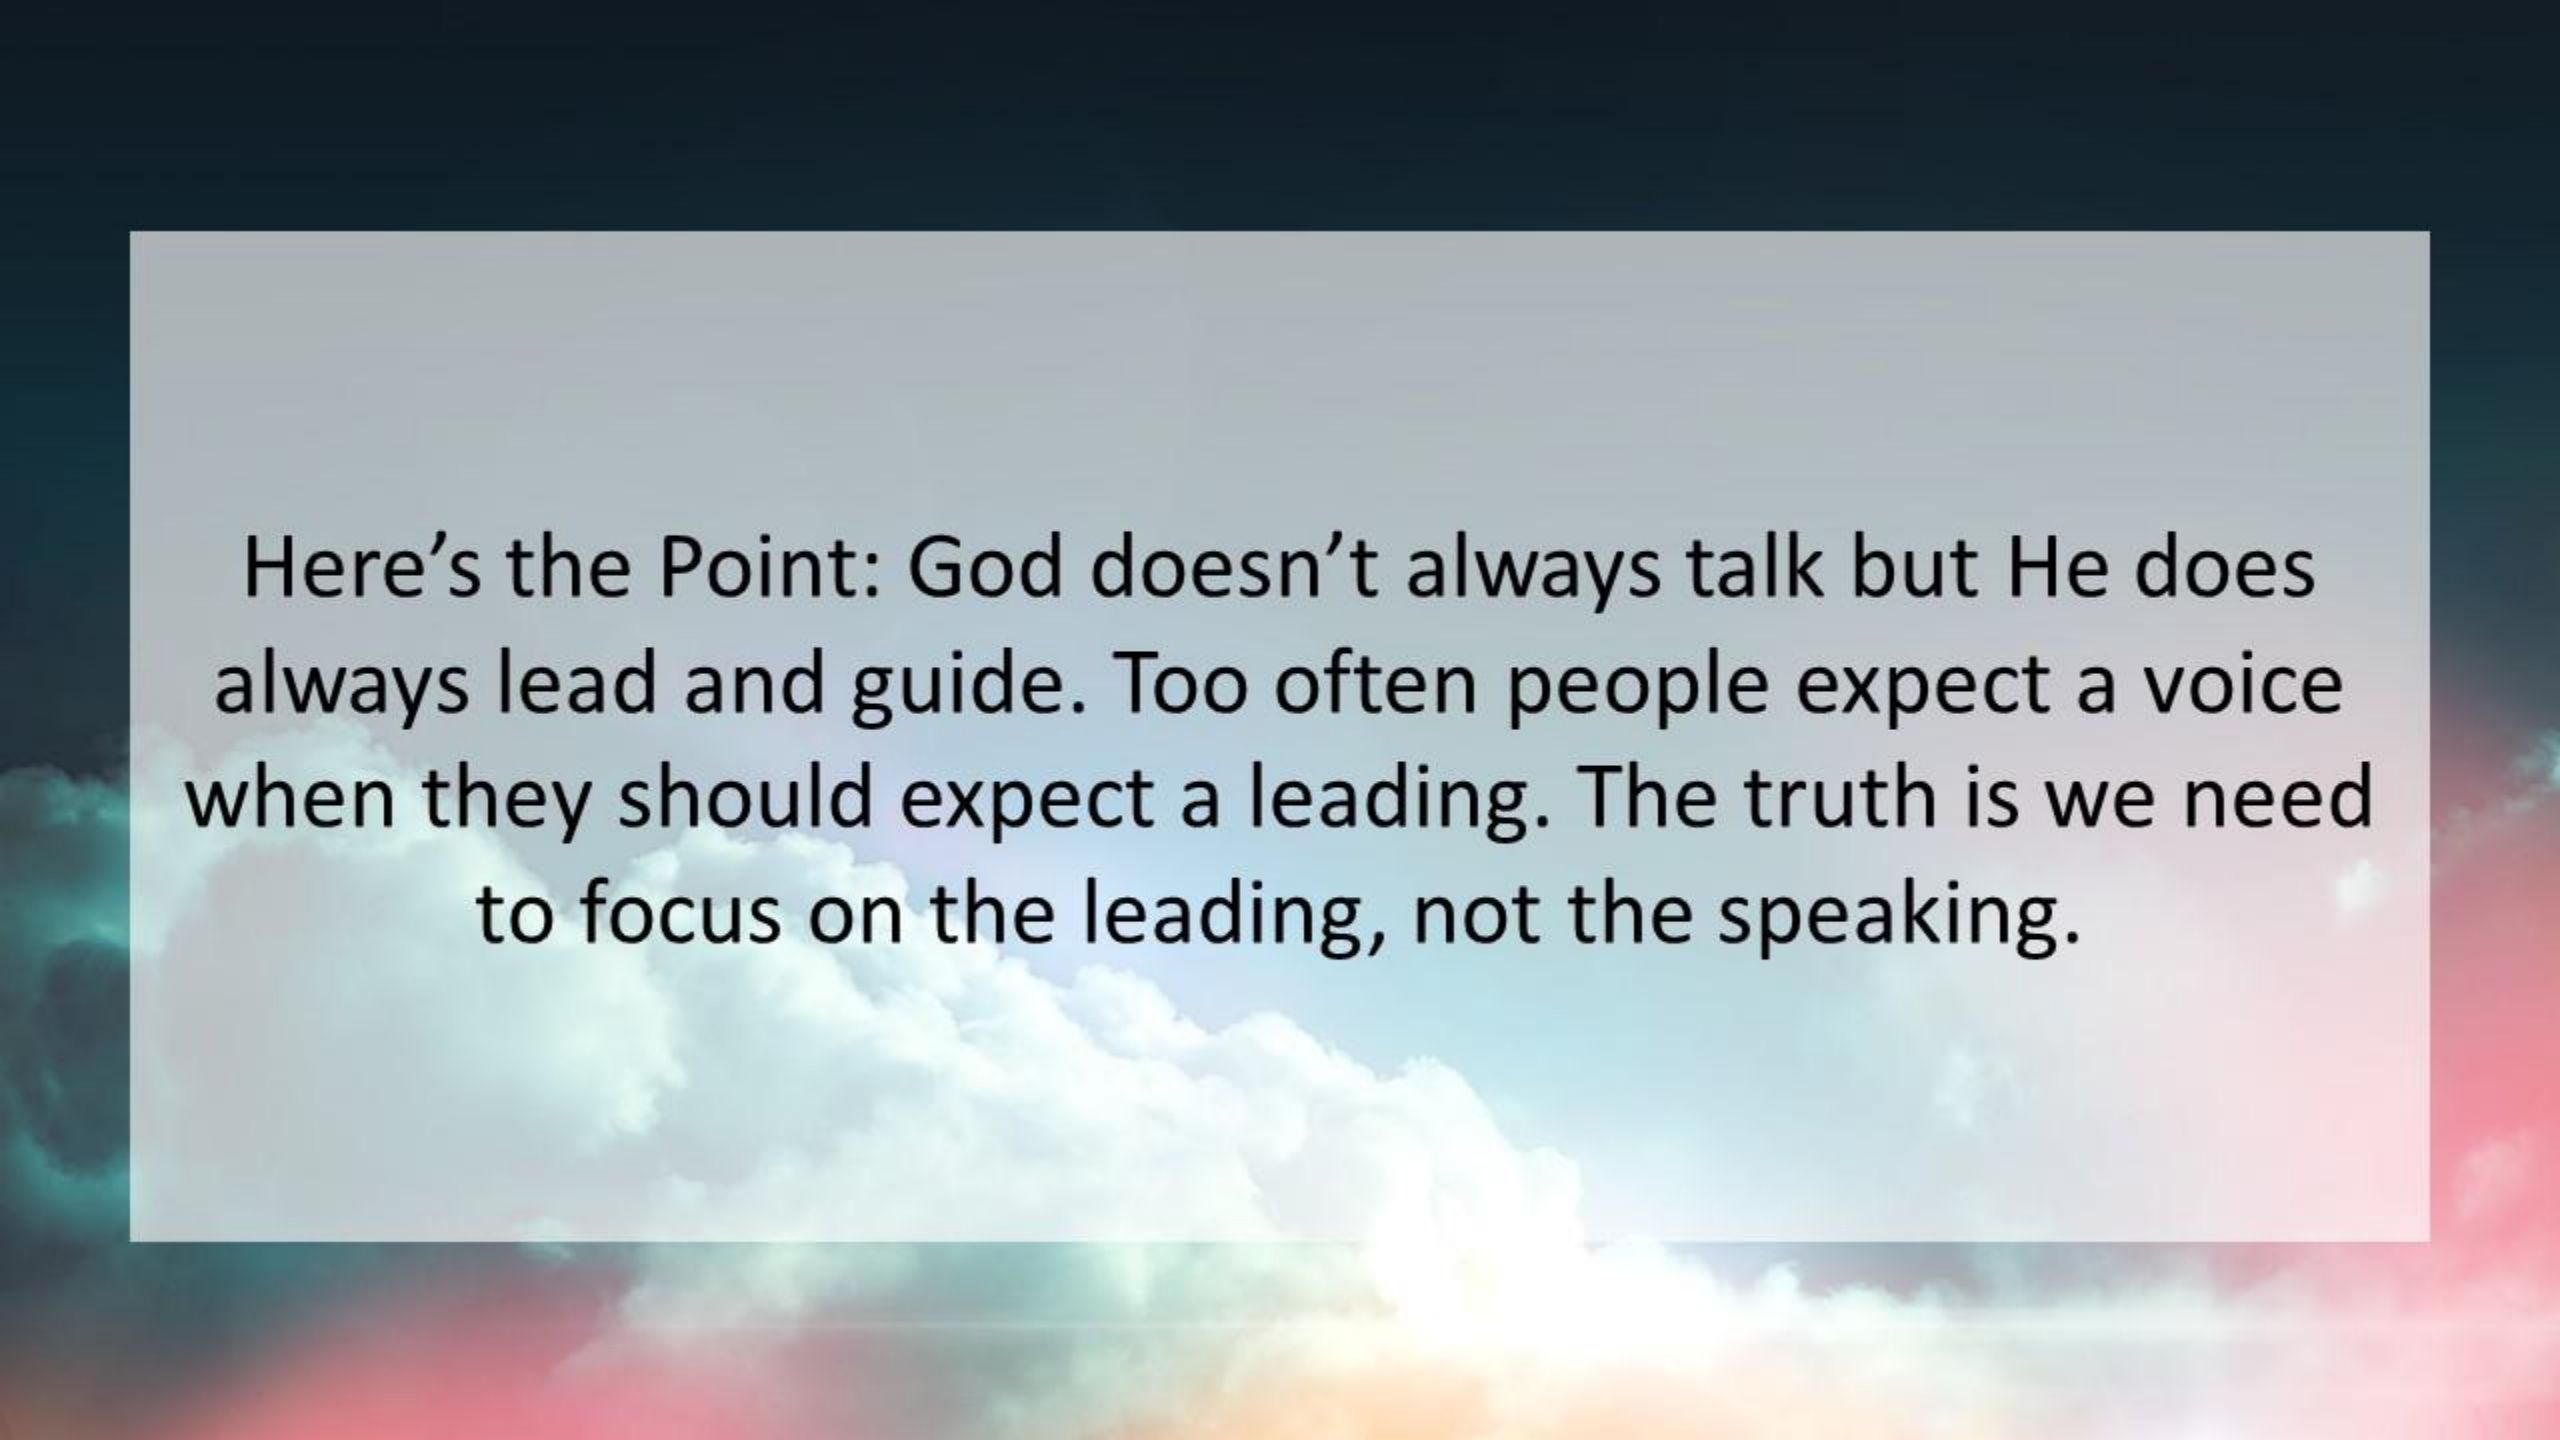

Perception

Impression

Drawing or pull

Nudging

Peace

Here's the Point: God doesn't always talk but He does always lead and guide. Too often people expect a voice when they should expect a leading. The truth is we need to focus on the leading, not the speaking.
